

History Transport

Background Information

In this unit we will be looking at how Transport has developed over time. We will specifically be looking at trains and planes.

We will be looking at the first steam engine that was created as well as how this was used in the steam trains used in the past.

In this unit the children will...

- Investigate who Brunel is and why he is significant in the development of travel.
 - Explore how trains have changed over time.
- Explore how planes and air travel has changed over time.
- Investigate who Mahinder Singh Pujji is and why he is significant in the development of air travel.

By the end of this unit....

All children can:

Explain how travel has developed.

Know who Brunel is.

Know who Mahinder Singh Pujji is.

Most children will:

Explain how trains have changed.

Explain how planes and air travel has developed.

Know what the steam engine is.

Some children will:

Explain who Brunel is and why he is significant in the development of travel.

Explain who Mahinder Singh Pujji is and why he is significant in the development of travel.

Explain the different uses for planes throughout History.

Key Vocabulary

Brunel, Mahinder Sing Pujji, Trains, Planes, Air travel, Steam engine, Transport.
