

Art

Printing- John Banting.

Background Information

This unit of work we are looking at the artist John Banting. We will be looking at printing our own designs, specifically musical instruments similar to John Banting. First we will make prints using nature. We will then design a print and create a printing block.

In this unit the children will...

- Use a wide range of materials.
- Use blocks to create lino prints to share ideas and foster a creative learning environment.
 - Develop printing techniques.
- Learn about the work of John Banting and inspire their

By the end of this unit...

All children will:

- Explore Mark Making using a variety of tools.
- Make marks in print using found objects and basic tools and use these to create repeating patterns.

Most children will:

- Know the names of tools, techniques and elements that he/she uses.
- Explain what he/she likes about the work of others.

Some children will:

- Experiment with different materials to design and make products in two and three dimensions.
- Use art work to record ideas, observations and experiences.
