Dear Parents/Carers

Homework for Years 1-6

Welcome back to another year at St Mary's. Over the Summer holidays we have been thinking of ways to make our homework more exciting for the children.

This term we are rolling out a new style of homework as a pilot. At the start of each term your child will get a list of 5 or 6 different tasks for them to complete. Each week you need to pick one of the tasks from the list to complete. By the end of term all of the tasks should have been completed.

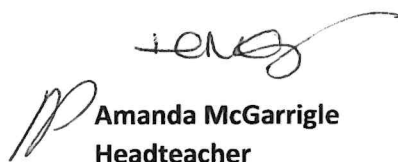

Each week your child still needs to read their home reading book, practise their spellings and for Years 2-6, you still need to practice your times tables using Times Table Rockstars.

Homework should still be completed by Friday each week and handed in to your child's teacher so that it can be marked.

We would love any feedback on this new homework so please let us know what you think. What parts are working better? Which bits do you think could be improved?

Thank you all for your continued support.

Yours sincerely

Amanda McGarrigle
Headteacher
