Dear Parents/Carers

**Wraparound Care Parent Webinar
Monday 7th September, 18:00**

Thank you for your patience and understanding following the postponement of our original session on 1st September — we really appreciate your continued interest in our Wraparound Care offer.

We're pleased to confirm our Parent Webinar has been rescheduled to **Monday 7th September at 18:00**. Join us to hear all about our **interim Wraparound Care offer**, running ahead of our full launch while we await our official Ofsted registration. We'll walk you through activities and timetables, session times for Breakfast and After School care, how to book, and our safety and safeguarding arrangements - including Tax-Free Childcare savings of up to £2,000 per child, per year.

If you already signed up for the previous session, there's nothing more to do - your place has been carried over, and you don't need to register again. If you haven't yet signed up, you can register your place using the QR code on the flyer.
