1. Aims

Our school aims to ensure that it:

- Manages its buildings and equipment in an efficient, legally compliant way
- Inspects and tests buildings and equipment regularly, taking into account statutory requirements and best practice recommendations
- Promotes the safety and wellbeing of our staff, pupils, parents and visitors through effective maintenance of buildings and equipment in accordance with the [Health and Safety at Work etc. Act 1974](#)
- Complies with the requirements of [The School Premises \(England\) Regulations 2012](#)
- Complies with the requirements of the [statutory framework for the EYFS](#)

2. Guidance

This document is based on the Department for Education's guidance on [good estate management for schools](#).

3. Roles and responsibilities

The governing body, Headteacher and School Business Manager will ensure this premises management policy is properly implemented, and that tests and inspections are carried out in accordance with this policy.

The Headteacher and School Business Manager are responsible for ensuring relevant risk assessments are conducted and for reporting to the governing body, as required.

They are also responsible for:

- Inspecting and maintaining the school premises
- Conducting repairs and maintenance
- Being the first point of contact for any issues with the premises
- Conducting and keeping a record of risk assessments and incident logs related to the school premises

This list is not intended to be exhaustive.

4. Inspection and testing

We maintain accurate records and details of all statutory tests which are undertaken at our premises. This includes relevant paperwork and certificates.

All requirements and recommendations highlighted in inspection reports and certificates are reviewed and acted on as necessary, and as quickly as reasonably possible.

As part of the records of completed works, we include the dates when the works were undertaken and the details of the individual or company who completed them, along with their qualifications/certifications and/or experience.

ISSUE TO INSPECT	FREQUENCY	PERSON RESPONSIBLE
Portable appliance testing (PAT)	Variable, according to risk and how the equipment is constructed. Regular visual inspections where PAT is not required. We will refer to HSE guidance on maintaining portable electric equipment for suggested intervals and types of testing/inspection.	School Business Manager
Fixed electrical installation tests (including lightning conductors)	Variable, according to the number and severity of faults found at last inspection. Inspection and testing always carried out by a competent person.	School Business Manager
Emergency lighting	Monthly flash test. 6-monthly condition test (including 3-hour battery test) by a competent person.	School Business Manager and Headteacher
Gas appliances and fittings	Routinely, in accordance with manufacturer recommendations (or other professional advice if unavailable). Annual safety checks (in line with good practice / required if the premises are used for residential accommodation). All work carried out by a Gas Safe Registered engineer.	School Business Manager

ISSUE TO INSPECT	FREQUENCY	PERSON RESPONSIBLE
Legionella checks on all water systems	Risk assessment of each site carried out and reviewed regularly by a competent person. The frequency of monitoring checks varies for evaporative cooling systems, hot and cold water systems and other risk systems – specific details can be found in guidance for each type from the HSE .	HSL complete these works, commissioned by SKANSKA on behalf of KCC, on behalf of the school - reporting to the School Business Manager
Asbestos	Regular inspections as part of the asbestos register and management plan. Reviews of the asbestos register annually. Refurbishment and demolition surveys before any refurbishment or demolition work.	PA Group complete these works, commissioned by SKANSKA on behalf of KCC, reporting to the School Business Manager
Fire detection and alarm systems	Weekly alarm tests, with a different call point tested each week where applicable. Quarterly and annual inspections and tests by a competent person. Annual fire risk assessment by a competent person also includes the maintenance of fire detection and alarm systems.	Trustee Fire and Security complete these works, on behalf of the school. Reporting to the School Business Manager
Fire doors	Regular checks by a competent person.	British Fire and Security Services complete this work on behalf of the school. Reporting to the School Business Manager.

ISSUE TO INSPECT	FREQUENCY	PERSON RESPONSIBLE
Firefighting equipment	Most equipment – extinguishers, fire blankets, hose reels, fixed systems (such as sprinkler systems) and fire service facilities (such as dry risers and access for emergency vehicles) – inspected annually (by a competent person where required) unless manufacturers' guidelines suggest differently.	British Fire and Security Services complete this work on behalf of the school. Reporting to the School Business Manager
Extraction systems	Regular removal and cleaning of grease filters and cleaning of ductwork for kitchen extraction systems. More routine checks also set out in system logbooks.	This work is completed by Kent Catering Services on behalf of the school. Reporting to the School Business Manager
Playground and gymnasium equipment	Regular inspections – at least annually, and more regularly where any equipment is used more frequently than normal (e.g. where community use increases how often equipment is used). Outdoor fixed play equipment – periodic and annual inspections by a competent person.	Safe Play on behalf of the school, reporting to the School Business Manager.
Tree safety	As part of risk assessment responsibilities, periodic visual checks for stability are carried out, with more detailed assessments if suspected structural faults or other risks are found.	Landscape Services on behalf of the school, reporting to the School Business Manager.

5. Monitoring arrangements

The application of this policy is monitored by the School Business Manager and Headteacher through, among other things, visual checks of the school site and equipment, and checks of risk assessments.

Copies of risk assessments and paperwork relating to any checks are kept in the school office.

This policy will be reviewed by the Headteacher every two years..
